(SSTD-001-3) - Panoramic Hotselling Padel Court Whole Set Material

				SSTD-001-3
Photos & Model No.	Parts	Items	Size&Spec	QTY
Full set of Panoramic Hot Selling Padel Court			20m*10m = 200SQM	
	Steel Column	Steel Material: Q235 High Quality Steel surface treatment: 2 layers powder coating High-durability polyester powder coating on steel Main Steel Column: 100*100*3mm Height: 3M Other Column: 80*40*3mm Height: 3M Upper&Lower Beam: 80*40*3*mm Length: 4M surface treatment: 2 layers powder coating High-durability polyester powder coating on steel Color: Black/Green/Red/Blue/Orange/customized Coating standards: ISO 12944-4	44 pcs	
	Steel Mesh Frame	Steel Material: Q235 High Quality Steel surface treatment: 2 layers powder coating High-durability polyester powder coating on steel Seine Frame: 1*2m Frame Square Steel Tube: 40*20*3mm Mesh Wire Diameter: 4mm Mesh hole Size: 50*50mm Color: Black/Green/Red/Blue/Orange/customized Coating standards: ISO 12944-4	46 pcs	
	Tempered Glass	Type: Special explosion-proof tempered glass Size:2 *3 M thickness12MM Performance: impact resistance, the grape-shot bag impact property and fragment form comply with GB 15763.2-2005(safety glazing materials in building part 2- tempered glass) Certification: CCC Certificate & CE Certificate Comply with Standard EN12150-2: 2004	18 pcs	
	Artificial Grass	Type: Monofilament curled fiber 100% PE Performance: Strong Anti UV Warranty: 5 years Area: 209.2SQM Height: 12mm Dtex: 8000 Density: 52500 needles/m² Backing : PP+NET+SBR High-density perforated backing with reinforced drainage grid Color: Blue/Green/Red/ Customized with white Line Certification: CE Certificate Apply for Standard: EN 15330-1:2013	3 rolls	
	LED Flood Light	Wide Range AC Input:110V-240V Power:200W Illuminance: 300 LUX Water Proof:IP65 Beam Angle:60°/ 90° Service Life:8000 hours Blade cooling design, efficient heat dissipation. IK08 tempered glass, better for outdoor usage. High strength die-casting aluminum, safe and reliable. Certification: CE Certificate Applly for standard: EN60598-1/-2:2021	8 pcs	
	Light Poles	Shape : Z-shape Steel Material: Q235 high quality steel Column steel tube: 80*40*3mm Color:Black/Green/Customized	4 pcs	
	Middle Net	Length:10m Height:920mm Thickness:3mm Material:Polypropylene Mesh Size:45mm Color:Black	1 set	
	Middle Post	Steel Material: Q235 high quality Steel post tube size : 80*40*3mm Height: 970mm Color: Black or Customized	2 pcs	
	Artificial Grass Adhesive tape	Used for bonding artificial grass Length:100M Width: 30CM	1 roll	
	Other small installation accessories, tools, etc.	Stainless Steel 304 Nuts , Screws , Bolts rubber pad, connectors , ect.	1 set
